Press Release
05-04-2012

Van Brunt Middle School Horicon

Link's Martial Arts was privileged to have the opportunity to participate in Van Brunt Middle School's Hobby Day on May 04, 2012. The morning "Kicked off" with a demonstration of martial arts techniques for the general assembly.

Van Brunt Middle School student and member of Link's Martial Arts Elite Team Patrick Harvancik got the chance to show his fellow students his competition forms. He was a bit nervous to perform in front of his peers but represented Link's Martial Arts well. We are proud of his efforts.

Two-time National (KICK) Kid's in Competition Karate Champion Dannylin Link presented the forms she has created to participate in the Nationals this November at Walt Disney World Orlando, Florida. After her tessen kata (fan form) she received an overwhelming applause.

After the release of the general assembly students participated in choice break-out sessions. Link's Martial Arts presented 3 one hour sessions teaching students basic martial arts techniques including self-defense, punch and kick basics and traditional concepts and language.

Master Instructors Dan and Tammylin Link were impressed with the middle school students' participation in the break-out sessions. All of the students came to the sessions with respect and enthusiasm to learn. Their behavior is a great reflection of the learning environment and their teachers' efforts to create awesome learning opportunities.

Link's Martial Arts thanks the Van Brunt Middle School Staff for the great opportunity to share our message. The martial arts is about becoming a better person and having a positive impact in your life's choices. Instructors shared the quote of the month from martial arts legend Bruce Lee "The function and duty of a quality human being is the sincere and honest development of one's potential".
